# Labour Market Information – LMI

- ▶ What is Labour Market Information- LMI?
- ▶ LMI outlines the current trends in the job/labour market (including the skills needed for future jobs, and jobs most likely to be needed in the future)
- ▶ This information constantly changes-so it's recommended that research happens at each major transition stage e.g. before Post 16 & Post 19 choices are made, any career transition point

# What is LMI continued

- ▶ Jobs and skills trends information can be found at a local level (Dorset) and beyond e.g. Nationally and Internationally
- ▶ The information can be used to help people make good decisions about their career journeys, as well as supporting education/training choices
- ▶ LMI at Victoria School can be accessed in several ways:

# Accessing LMI at Victoria School

- ▶ Using Victoria Schools careers database **JED** (Job Explorer Database)- which gives national LMI

(please ask Sue T for the access info sheet)

- ▶ Using the Dorset Careers Hub website:
