

Courses offered in KS4

We have endeavoured to choose courses that best fit each student's individual needs. We are therefore running courses from Entry Level 1 to Level 1 and Level 2. Entry Level qualifications focus on a particular subject or area of learning. They develop basic knowledge, skills and understanding and help you build confidence and prepare for further learning and work. Entry Level qualifications are below Level 1 qualifications. Level 1 courses are equivalent to GCSE 'D – F' grades and a Level 2 course is equivalent to GCSE 'A – C'. In Post 16 we use a variety of examination boards: ASDAN, AQA, Sports Leader, NCFE, Arts Award, Edexcel and OCN.
