- Words cannot describe how grateful we are for all the help and support from everyone at the school. You have been our rock and without you she wouldn't be the little inspiration that she is. You change people's lives. From the bottom of our hearts, thank you.
- After meeting you both at parents afternoon we would like to say how much we appreciate the hard work put in by all the class staff, in making his time with you so enjoyable and productive. When we looked at the DVD and CDs showing the work that he and his peers have produced, it was quite emotional for us seeing the dedication and quality of teaching he receives at the VEC. We feel confident that he will continue his progress next year in your class.
