Parents and Carers Feedback and Comments 2016

- Thank you from us all for the wonderful three years she has had with you at the VEC. We couldn't have wished for anywhere better for her. Everyone we have been in contact with has been professional, caring and compassionate. We will miss you all very much. With love, thanks and best wishes.
- I just wanted to thank you for his time at Victoria - he has become a much more independent and confident young man in the two and a half years he has been with you. Friends and relatives who see him from time to time have commented on the difference they have noticed in him. This is largely due to all your wonderful staff's care and dedication. We are only sorry he can't stay for another 2 years! Once again we can't thank you enough.
- We are extremely pleased with the comments in his report. We're so proud of his progress this year particularly with communication. He's always very excited to go to school and now seems very happy and confident to be with all members of staff in all areas of school. He's becoming very sociable with other children too which we're very encouraged by. Thank you so much.
- Really proud of his achievements this year as it's been a challenging year emotionally.
- Thank you so much for helping her settle so well into her first year at Victoria.

- We are very happy with his progress at school. We feel very proud of all his achievements and have seen how much he has grown in confidence and attitude. His strength and willingness to do things by himself are very noticeable. Overall we are very happy and most of all he is a very happy boy.
- Really impressed with his progress with his peers. Playing the cornet - amazing! Never knew he was so talented!
- We are absolutely thrilled with his report and the achievements he has made, considering he only joined VEC part way through the year. Incredibly, he is swimming on his front with the aid of a special snorkel. We have persevered for many years to get him to do this - what an achievement! Thanks must go to all VEC staff who support him and especially his teachers who have been incredibly supportive to not only him but our family too in what has been a very difficult few months for us personally. Thank you.
- We appreciate the schools' commitment to work alongside us with this difficult last year and appreciate the extra time it consumed - we are grateful for everyone's commitment to see him achieve well.
- I have seen him grow in confidence since starting Victoria, and also his learning has improved. He is so happy at VEC. I hope very much that he can continue as a student in Post 19.
