All fine. I think school is really good. I can't think of anything. To stay the same as I like it here. Longer swimming lessons. I want more people to visit me when I am in hospital. A longer school day so I can learn more. More revision time.

All the students and staff care about each other every single day. Victoria has given me my confidence back and I am grateful for staff for helping me. I like school and my class. The school is very fun! I'm proud to be part of the school. School is perfect and I don't like being taken out unless it's absolutely necessary. I am so going to miss school when I go to college. The staff have really helped me to become more independent. It's amazing and I don't want to leave.
