

## Return to school:

Victoria School was closed for a long time

This was because of Corona Virus

After the summer holidays you will go back to school

When you go back to school you will see some of your friends

When you go back to school you will see your teachers

Going to school is good for you

You might feel lots of different things about coming back to school.

You might feel excited, worried, happy, sad or something different.

This is all ok

It is ok to feel sad or worried about going back to school

If you are sad or worried about going back to school you can let an adult who looks after you know

It is safe to go back to school

Everyone at school has missed you

Going back to school will be fun
