

Return to school:

Victoria School was closed for a long time

This was because of Corona Virus

It was really important to stay at home

To keep everyone safe

You or someone you know may have already been to school

After the summer holidays it will be safe for most people to go back to school

After the summer holidays you will go back to school

When you go back to school you will see some of your friends

When you go back to school you will see your teachers

When you arrive at school, everyone needs to wash their hands

When you go back to school some things will be different

When staff are helping you, they might be wearing some equipment

Gloves

A mask

.A visor

They might look strange, but it's ok

They are all keeping safe

- Everyone will stay apart when they can

This is ok

Going to school is good for you

You might feel lots of different things about coming back to school.

You might feel excited, worried, happy, sad or something different.

This is all ok

It is ok to feel sad or worried about going back to school

If you are sad or worried about going back to school you can talk to an adult who looks after you

It is safe to go back to school

Everyone at school has missed you

Going back to school will be fun
